## Your quick guide to good hygiene habits:

**Wash hands regularly** with soap and warm water

**Avoid hugs and handshakes** but remember to smile

**Avoid touching** your face, eyes and nose. Cough/sneeze into elbow/tissue

**Wear gloves, masks** and eye protection to minimize risk of contamination

**Seek medical help** and self-isolate if symptoms appear

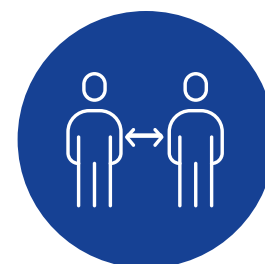

**Clean office hardware,** pens, signature pads, keyboards regularly

**Sterilize frames and equipment** before and after every consultation

**Remove clutter** such as mint jars and pen holders

**Keep your distance** and avoid close contact where possible

**Be kind, be mindful.** We are all responsible for each other

**Be safe. Stay healthy.** Make sure you've got clean covered.
